Re: Scientific Chemical Processing
216 Paterson Plant Road
Carlstadt, New Jersey

Dear Ms. Feldstein:

This is in response to your letter dated May 17, 1985, concerning the above-referenced matter.

I attended the conference sponsored by the EPA in New York City on June 10. At the subsequent meeting, Mobay joined the other companies in authorizing the Steering Committee to negotiate with the EPA concerning the subject matter of your May 17, 1985, letter. Mobay also agreed to support the efforts of the Steering Committee by paying an initiation fee of \$2,000.00.

Please continue to contact me with regard to this matter.

Sincerely yours,

Spencer J. Nunley
Assistant General Counsel
